Delightful new venue just off the A5 in Northamptonshire

New life has been breathed into Dodmoor House by its young owners, Mark and Louise, who have recently completed the imaginative restoration of the house and barns. This stunning wedding venue, located on the bank of the appropriately named Grand Union Canal, is easily accessible from J16 of the M1 and is less than an hour's drive from London. It is surrounded by pretty cottage gardens and has good hotel accommodation nearby in addition to the extravagantly gorgeous honeymoon suite.

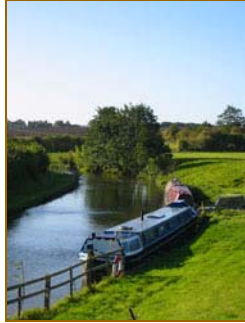

Licensed for Civil Weddings - Registrar's office 01327 302209

Up to 90 guests can be seated for dining in the ***Catesby Barn***, which incorporates contemporary, stylish design with authenticity and comfort. The ***Courtyard Barn*** is licensed for Civil Ceremonies or can be used for an additional dining area. The ***Courtyard*** is a charming area for a drinks reception and the ***Mezzanine Bar*** overlooking the barn is a vibrant, convivial and contemporary area.
