

# Dodmoor Hog Roast and Treats

Impress your guests to some wonderful evening food and sweet treats with our Hog Roast and dessert options.

Hog roast carved from a spit in the courtyard can add an extra buzz to the evening and hot food is always enjoyed by wedding guests.

We have negotiated a special rate with local farmers for a classic hog. This includes the hog, bread rolls, sauces & stuffing for 100 guests. Please note it does not include any extra salads or evening food (or crockery/cutlery or extra tablecloths), which we are unable to provide. If you would like a wider selection of evening food, please ask your daytime caterer for details, or we would be happy to recommend an alternative evening caterer

All the packages provide the expert carver/chef, while we provide the staff, so there are no extra costs for you to worry about, with a vegetarian alternative of veggie burgers.

Included with the hog roast will be a choice of three dessert options! You have a choice of either 80 donuts, 100 portions of popcorn or our sweet wall/sweet shop (the location of your evening sweets is dependent on other factors of your wedding reception but will be communicated in your Day in Detail Planning Meeting)

The Hog Roast and dessert option is **£945** for 100 people in 2022

(Additional guests will be charged at £3.50 per head, final numbers to be confirmed 2 weeks prior)
