

Dodmoor DIY DJ Package

We've come up with a way to ensure that every single song you want at your wedding will be played by putting you in control of your playlist! Our DIY DJ package is the perfect option for anyone that wants a party atmosphere without paying for a full DJ set. Dodmoor House will set everything up, clear it all away and hit play to get your wedding reception started!

What is included?

- A professional PA speaker
- Disco ball hanging from the Catesby Barn
- Pink up lighting throughout the Catesby Barn
- A member of staff to control the playlist on your behalf

What do we need from you?

- Just your playlist! Please ensure there are no passwords, that all the songs are downloaded onto Spotify or Apple music as there is no Wi-Fi in the barn and that the device has a Bluetooth connection
- An epic playlist to last throughout your evening party starting with your first dance song
- A final three songs on a separate playlist we can play to end the night on a high!
- A loud family member or friend to announce you onto the dancefloor as newlyweds

Details

- The full package is **£195** including VAT
- A **25%** non-refundable deposit is required at the time of booking with the remaining balance due two months before the wedding
- Please note that throughout the evening, Dodmoor House will be responsible for the speaker and device so guests will not be able to control the device
- If you book this package you can also book our LOVE letters for £130 (reduced from £160)
